Someone else. ODEQ said they heard someone was thinking about it, but wouldn't tell me who, except that it wasn't NWEA.

Hi, Jill. Who is talking about suing us? ODEQ? Someone else?

Draft deliberative

Hi Lori,

Yes, Rochelle is correct. NOAA/UW have more stations within state waters from the 2016 cruise, but that data will likely not be ready for 6-9 months. One thing to talk about with Steve:

Draft deliberative

Hi Lori,

To my knowledge, that is correct for Oregon –

Attorney Client / Deliberative Process / Ex. 5

Attorney Client / Deliberative Process / Ex. 5 Jill, Cheryl and I talked last Friday - Cheryl has been swamped but she is planning to make a couple of plots of the data to summarize the aragonite saturation state and pteropod data.

Attorney Client / Deliberative Process / Ex. 5

I hope that helps - Rochelle
